We may have to share your personal data with the parties set out below for the purposes set out in the table in paragraph 4 above.

- Internal Third Parties as set out in the Glossary.
- External Third Parties as set out in the Glossary.
- Third parties to whom we may choose to sell, transfer, or merge parts of our business or our assets. Alternatively, we may seek to acquire other businesses or merge with them. If a change happens to our business, then the new owners may use your personal data in the same way as set out in this privacy notice.

We require all third parties to respect the security of your personal data and to treat it in accordance with the law. We do not allow our third-party service providers to use your personal data for their own purposes and only permit them to process your personal data for specified purposes and in accordance with our instructions.

6. INTERNATIONAL TRANSFERS

It is our general policy that no transfer of your personal data is made outside the European Economic Area (**EEA**) or the UK. If we are ever required to transfer your personal data outside the EEA and the UK, (which consists of EU member states and Iceland, Lichtenstein and Norway), we will only do so using one of the following safeguards:

- the transfer is to a non-EEA country which has an adequacy decision by the EU Commission;

HALEWOOD

ARTISANAL SPIRITS

- the transfer is covered by a contractual agreement, which covers the GDPR requirements relating to transfers to countries outside the EEA and the UK;
- the transfer is to an organisation which has Binding Corporate Rules approved by an EU data protection authority.

Please note however, if you click on a third-party link within our websites, we will have no control over where your data is transferred, and you should check the privacy policy of that website.

7. DATA SECURITY

We have put in place appropriate security measures to prevent your personal data from being accidentally lost, used or accessed in an unauthorised way, altered or disclosed. In addition, we limit access to your personal data to those employees, agents, contractors and other third parties who have a business need to know. They will only process your personal data on our instructions, and they are subject to a duty of confidentiality.

We have put in place procedures to deal with any suspected personal data breach and will notify you and any applicable regulator of a breach where we are legally required to do so.

8. DATA RETENTION

How long will you use my personal data for?

We will only retain your personal data for as long as necessary to fulfil the purposes we collected it for, including for the purposes of satisfying any legal, accounting, or reporting requirements.

HALEWOOD

ARTISANAL SPIRITS

To determine the appropriate retention period for personal data, we consider the amount, nature, and sensitivity of the personal data, the potential risk of harm from unauthorised use or disclosure of your personal data, the purposes for which we process your personal data and whether we can achieve those purposes through other means, and the applicable legal requirements.

In some circumstances you can ask us to delete your data: see the section entitled “Request erasure” below for further information.

In some circumstances we may anonymise your personal data (so that it can no longer be associated with you) for research or statistical purposes in which case we may use this information indefinitely without further notice to you.

9. CHANGES TO THIS PRIVACY POLICY

This Privacy Policy may be updated any time. Any changes to our processing will take effect within a reasonable period following the implementation of our revised Privacy Policy. Your legal rights are not affected.

10. YOUR LEGAL RIGHTS

Under certain circumstances, you have rights under data protection laws in relation to your personal data.

You have the right to:

Request access to your personal data (commonly known as a “**Data Subject Access Request**”). This enables you to receive a copy of the personal data we hold about you and to check that we are lawfully processing it.

HALEWOOD

ARTISANAL SPIRITS

Request correction of the personal data that we hold about you. This enables you to have any incomplete or inaccurate data we hold about you corrected, though we may need to verify the accuracy of the new data you provide to us.

Request erasure of your personal data. This enables you to ask us to delete or remove personal data where there is no good reason for us continuing to process it. You also have the right to ask us to delete or remove your personal data where you have successfully exercised your right to object to processing (see below), where we may have processed your information unlawfully or where we are required to erase your personal data to comply with local law. Note, however, that we may not always be able to comply with your request of erasure for specific legal reasons which will be notified to you, if applicable, at the time of your request.

Object to processing of your personal data where we are relying on a legitimate interest (or those of a third party) and there is something about your situation which makes you want to object to processing on this ground as you feel it impacts on your fundamental rights and freedoms. You also have the right to object where we are processing your personal data for direct marketing purposes. In some cases, we may demonstrate that we have compelling legitimate grounds to process your information which override your rights and freedoms.

Request restriction of processing of your personal data. This enables you to ask us to suspend the processing of your personal data in the following scenarios: (a) if you want us to establish the data's accuracy; (b) where our use of the data is unlawful but you do not want us to erase it; (c) where you need us to hold the data even if we no longer require it as you need it to establish, exercise or defend legal claims; or (d) you have objected to our use of your data but we need to verify whether we have overriding legitimate grounds to use it.

HALEWOOD

ARTISANAL SPIRITS

Request the transfer of your personal data to you or to a third party. We will provide to you, or a third party you have chosen, your personal data in a structured, commonly used, machine-readable format. Note that this right only applies to automated information which you initially provided consent for us to use or where we used the information to perform a contract with you.

Withdraw consent at any time where we are relying on consent to process your personal data. However, this will not affect the lawfulness of any processing carried out before you withdraw your consent. If you withdraw your consent, we may not be able to provide certain products or services to you. We will advise you if this is the case at the time you withdraw your consent.

If you wish to exercise any of the rights set out above, please contact us.

No fee usually required

You will not have to pay a fee to access your personal data (or to exercise any of the other rights). However, we may charge a reasonable fee if your request is clearly unfounded, repetitive or excessive. Alternatively, we may refuse to comply with your request in these circumstances.

What we may need from you

We may need to request specific information from you to help us confirm your identity and ensure your right to access your personal data (or to exercise any of your other rights). This is a security measure to ensure that personal data is not disclosed to any person who has no right to receive it. We may also contact you to ask you for further information in relation to your request to speed up our response.

Time limit to respond

HALEWOOD

ARTISANAL SPIRITS

We try to respond to all legitimate requests within one month. Occasionally it may take us longer than a month if your request is particularly complex or you have made a number of requests. In this case, we will notify you and keep you updated.
